Re: Introducing 35 Year Red Shield™ Platinum Warranties for UNA-CLAD™ Metal

Elevate is proud to announce that UC-3, UC-4, UC-6, and UC-14 architectural metal roofing systems are now eligible for up to a 35 Year Red Shield Platinum Warranty! To be eligible for this industry-leading 35 Year warranty term, panels must be factory-formed and installed by a licensed Elevate applicator according to Elevate specifications. There are no additional installation requirements for 35 years, but a minimum slope of 3:12 will be strictly enforced. Please see the updated UNA-CLAD Metal Design Guide, QuickSpecs, and installation details in the Documents section of www.elevatecommercialbp.com for additional information. The Elevate PIN Site has been updated to reflect this exciting new warranty availability.
