Benefits	A standard PVC with up to a 20-year warranty.	Added puncture resistance thanks to a fleece-backed membrane with warranty options up to 20 years.	Stronger chemical resistance for more challenging roofs. This membrane works best in the toughest conditions.	Stronger chemical resistance with the added puncture resistance of a fleece backing. A great choice for re-roofs where building occupants cannot be disturbed.	The go-to-choice for an asphalt-applied hybrid system, providing redundant waterproofing and the strength of a fleece-backed membrane.	Industry leading puncture and tear resistance among PVC membranes. More thickness over scrim for better weatherability.	Toughness and puncture resistance for high traffic roofs. Industry leading thickness over scrim for long-term performance.
Accessories	Large portfolio of prefabricated accessories saves time on the roof and are compatible across the Elevate PVC portfolio of membranes.
